- A minimum of two staff are on duty at any one time and at least one will hold a FA certificate..
- Children must usually be within sight **and** hearing of staff and always within sight **or** hearing

- We hold regular staff meetings to self-evaluate our practice, discuss children's progress and for in house training.

Managing staff absences and contingency plans for emergencies

- As we are open 38 weeks of the year, staff take their holiday breaks when the setting is closed. Or they can take up to 5 days within an academic year with agreement from Manager/supervisor, No more than 1 member of staff is off at the same time. They are responsible for organising suitable cover. Where staff may need to take time off for any reasons, this is agreed with the Office Manager/Supervisor with sufficient notice, so that suitable cover can be arranged.
- Where staff are unwell and take sick leave in accordance with their contract of employment, we organise cover to ensure ratios are maintained.

All staff have a copy of the staffing rota with staff telephone numbers so that they can contact each other for cover. If they are unable to find cover, they will call the manager/supervisor who will make alternative arrangements.

We have a bank member of staff.
